Class Will

Steve Miles

We, the Senior Class of 1964, of the city of Altoona, the County of Wilson, and the State of Kansas, being of sound mind and of lawful age, whereas we are about to depart as students from the Altoona Rural High School, do hereby give, bequeath, and make public to our fellow students some of our most treasured possessions.

To the Faculty, we leave our sincere appreciation for the understanding, interest, and help you have given us throughout our High School career.

To the Juniors, we leave our seats in the front row of the auditorium and the title of "Dignified Seniors."

To the Sophomores, we will our ability to work hard and to keep smiling.

To the Freshmen, we wish a successful journey through high school.

Jerry Frits wills his good looks to Gary Cooper.

Charles Miles wills the ability to save money to Mark Dics.

George North wills the ability to get out of work, if possible, to Jackie Blaker.

Jackie Browne wills his strength and ability to Larry Ogden.

Marvin Shultz wills the ability to neglect and abolish all thought of studies to Gene Kitch.

Janet Douglas wills her hair to Harry Rucker.

Mike Stark wills the honors of being President of the Student Council and Editor of the Yearbook to Cindy Miller who may make it big someday.

Marlen Frankenberg wills his nick-name "Frankie" to his sister, Rebecca, and his convertible to Brenda Troutman.

Martha Baker wills her long fingernails to Sally Stites.

Caley Kitch wills his red hair to Mike Burris, so he won't have to use peroxide.

Deanna Wolf wills her "standing spot" in the back of the History room to Carol Smith.

John Rucker wills the ability to flirt with girls to anyone who needs it. Good Luck, suckers!

Terry Topham wills the ability to push our English Teacher's car down the street to the Junior English class.

Randy Blaker wills his size and football technique to Ernie Kitch.

Larry Follick wills his ability to stay out of trouble to Alger Smith.

And I, Steve Miles, will my honor and work as Class President to the deserving Senior President of '65. Good Luck! Also, my ability to run easy laps and sprint in sports to Gene Kitch, and my position as quarterback to "Fireball" David Troutman.

Thus, we, the Seniors of 1964, have disposed of some of our personalities, personal traits, and possessions to our deserving undergraduates, and do hereby set our seal this twenty-fourth day of May, one thousand nine-hundred and sixty-four.

Class History

Mike Stark

The Seniors of 1964 entered Altoona Rural High School, twenty-one strong, in the fall of 1960. Ours was the first class to go four full years in the new High School building which had been completed during the first semester of the previous year.

Our Freshman class was composed of Susan McCollam, Caley Kitch, Mike Stark, Terry Topham, David Cranor, Charles Wiles, Martha Baker, Randy Blaker, George North, Deanna Wolf, Marvin Shultz, and Rodney Lovett. Also, Billy McMillen, Sharon Louia, Jackie Browne, Jerry Fritz, Marlen Frankenberg, Steve Wiles, James Haines, Janet Douglas, and Ronnie Studebaker. We gained Mike Burris, from Fredonia, during the second semester.

We chose Billy McMillen as our President the Freshman year; David Cranor was elected Vice-President; Susan McCollam was elected Secretary; and Terry Topham was elected Treasurer. Rodney Lovett was selected Student Council Representative, and Mike Stark was our Reporter.

We lost Ronnie Studebaker at the start of our Sophomore year, but we gained Shirley McGinnis from Fredonia; Kenny McQuarter from Missouri; Larry Follick from Wichita; and John Rucker from Thayer. Kenny returned to Missouri the second semester.

Our Sophomore class officers were Rodney Lovett, President; Larry Follick, Vice-President; David Cranor, Secretary-Treasurer; Janet Douglas, Student Council Representative; and Mike Stark, Reporter.

Rodney Lovett, Sharon Louia, and David Cranor were dropped from our class roll at the start of our Junior year as they were attending school at Neodesha. Billy McMillen transferred to Chanute; James Haines moved to California; Sue McCollam moved to Prescott; Shirley McGinnis left our class to become a bride; and Mike Burris dropped out of school the second semester, because of bad health.

Our Junior class officers were Marlen Frankenberg, President; Steve Wiles, Vice-President; Mike Stark, Secretary; Terry Topham, Treasurer; Caley Kitch, Student Council Representative; and Randy Blaker, Reporter.

The theme for our Junior-Senior Banquet was "Oriental Gardens". Mike Pariess provided the music for our prom.

At last, in the fall of 1963, we entered our Senior year of school with sixteen members. We had neither lost nor gained members from the end of our Junior year. We chose Steve Wiles as our President; Terry Topham as Vice-President; and Charles Wiles as Secretary-Treasurer. Marlen Frankenberg was selected as our Student Council Representative.

For our Senior Trip, we selected to go to Kirkwood Lodge, which is located on the Lake of the Ozarks in Missouri. The seniors who participated in the Junior-Senior Play included Mike Stark, Terry Topham, Steve Wiles, Larry Follick, Caley Kitch, Marvin Shultz, Deanna Wolf, and Janet Douglas.

The Seniors who have attended school at Altoona all twelve years include Steve Wiles, Charles Wiles, Marlen Frankenberg, Jerry Fritz, Randy Blaker, Mike Stark, and Deanna Wolf.

Class Prophecy

Marlen Frankenberg
Charles Wiles

The year is 1984. Through the aid of a new magic viewing-machine, invented by two world-renowned scientist, Marlen Frankenberg and Charles Wiles of Frankenberg and Wiles Incorporated, we are about to catch a glimpse of the Class of '64 of Altoona Rural High School.

Blurred . . . ah . . . there! The first member of the class to be seen is Jackie Browne. Jackie is still living in Altoona. He is working as a line-walker for the Union Gas Company.

You wouldn't believe it! Caley Kitch is modeling men's clothing for Channel Fashions in New York City. It seems that Caley became interested in this field because of the part he had in the Junior-Senior Play at ARHS in 1964.

Randy Blaker and Marvin Shultz are now co-owners of the local recreation parlor in Altoona. They can finally afford to play all the "snooker" they desire.

Larry Follick is still in the Navy. After nineteen years in the service, he hasn't advanced in rank very far, but he seems to be an expert at chipping paint.

George North is still hauling hay around Wilson County. He seems to be very successful as he now owns his own equipment and has a personal secretary.

It seems that Terry Topham is quite a successful "playboy" in Hollywood. Yes, still single with girlfriends at every turn.

Every town must have a town-fisherman. Jerry Fritz is Altoona's. Jerry's latest project is to build a fish hatchery and a fishing resort on the Verdigris somewhere between Altoona and Neodesha.

John Rucker is now head custodian for the Los Angeles School System. All the kids call him "Baldy". John doesn't appreciate the name, but he is getting used to it.

Janet Douglas is a chemist for the USDA. In her spare time, she is trying to invent a hair restorer. She thinks her first customer will be John.

Steve Wiles is the head coach at Kansas State University. Steve's teams have been rated number one in the nation for five straight years now. Steve is hoping that the team can again place number one next season.

Mike Stark is now the owner of a famous Espresso House in Dallas. His is world-renowned for his many different hair styles, but he says he is still searching for a purpose in life.

Martha Baker is a Senator from Kansas. She plans to run for the Presidency in the next election. A recent nation-wide survey showed that she is the favorite of ninety per cent of the voters.

Deanna Wolf is a lady astronaut. She holds a world's record for the number of flights made. They have only one problem with Deanna, she won't wear a space helmet because she says it ruins her make-up.

Regardless of the new magic viewing-machine, we know that each of us will contribute the utmost of our talents to the betterment of the world - and the best - the very best - will surely come back to us.
